Not a lot is known about District 9's plot, save that it is about aliens landing in Africa and becoming slaves forced to work for a giant evil corporation. According to the official brief about this movie: "District 9 depicts a fictional world where extraterrestrials have become refugees in South Africa". We found the following information as well: An extraterrestrial race forced to live in slum-like conditions on Earth suddenly find a kindred spirit in a government agent that is exposed to their biotechnology.

This great secrecy in the plot is part of the advertising campaign created to generate interest about this movie.
