

## Prince of Persia: The Sands of Time. Teaser Trailer

*In Theaters: May 28, 2010*

November 17, 2009 - 23:49

This is an upcoming 2010 action/adventure fantasy film written by Jordan Mechner, Boaz Yakin, Doug Miro, and Carlo Bernard, directed by Mike Newell, and produced by Jerry Bruckheimer. The film is based on the 2003 video game of the same name, developed and released by Ubisoft Montreal. The film stars Jake Gyllenhaal as Prince Dastan, Gemma Arterton as Tamina, Ben Kingsley as Nizam, and Alfred Molina as Sheik Amar. Currently, it is the 4th film under the Walt Disney Pictures banner to receive a PG-13 rating "for intense sequences of violence and action", after the three Pirates of the Caribbean movies. Despite the film being based on The Sands of Time, elements from Warrior Within and The Two Thrones are present.

Dastan is a street urchin in 6th century Persia. After showing valor in battle, he is adopted by the king as his heir, so the king's two sons will not fight over the throne. He teams up with Princess Tamina (Gemma Arterton) to rescue the Sands of Time, a gift from the gods that controls time, from the hands of the villainous nobleman, Nizam.
