

How to Train Your Dragon. HD Trailer

To Be Released on March 26, 2010

This is an upcoming computer-animated film based on the 2003 book of that same title. The film stars the voice talents of Jay Baruchel, America Ferrera, Jonah Hill, Gerard Butler, Christopher Mintz-Plasse and Craig Ferguson.

The film is set in a mythical world of vikings and dragons. The story centers around a viking teenager named Hiccup (Jay Baruchel), who lives on the island of Berk, where fighting dragons is a way of life. The teen's smarts and offbeat sense of humor is disliked by his tribe and its chief, Hiccup's father. However, when Hiccup is included in Dragon Training with the other viking teens, he sees his chance to prove he has what it takes to be a fighter. But when he encounters (and ultimately befriends) an injured dragon, his world is flipped upside down.
