Prince of Persia: The Sands of Time is an upcoming 2010 action-adventure fantasy film written by Jordan Mechner, Boaz Yakin, Doug Miro, and Carlo Bernard, directed by Mike Newell, and produced by Jerry Bruckheimer. The film is based on the 2003 video game of the same name, developed and released by Ubisoft Montreal.

The film stars Jake Gyllenhaal as Prince Dastan, Gemma Arterton as Princess Tamina, Ben Kingsley as Nizam, and Alfred Molina as Sheik Amar.

Dastan is a street urchin in sixth-century Persia. After showing valor in battle, he is adopted by the king as his heir, so the king's two sons will not fight over the throne. He teams up with Princess Tamina to rescue the Sands of Time, a gift from the gods that controls time, from the hands of the villainous nobleman, Nizam.
