

The New X-Men Origins: Wolverine

To Be Released on May 2009. The Saga X-Men Continues

December 16, 2008 - 22:18

Plot: Leading up to the events of "X-Men", "X-Men Origins: Wolverine" tells the story of Wolverine's epically violent and romantic past, his complex relationship with Victor Creed, and the ominous Weapon X program. Along the way, Wolverine encounters many mutants, both familiar and new, including surprise appearances by several legends of the X-Men universe.

Directed by Gavin Hood and written by David Benioff, the movie stars Hugh Jackman, Liev Schreiber, Kodi Smit-McPhee. The film will be executive produced by Marvel Films' Kevin Feige.
